

# Wood Fencing

Wood fencing is an affordable residential favorite.

It provides privacy and security for your family and property.

It's customizable, easily shaped to give your property character and individuality.

- Economical
- Secure
- Versatile

- Safety
- Pets
- Security

Wood Fencing is great for providing privacy and security. It keeps wild animals out and your pets in. It also makes a strong aesthetic statement, improving curb appeal.

Owner Trevor Tully has over 19 years of fencing experience in the Upstate.

## Warranty

Atlas Fence does not warrant against defects associated with the natural characteristics of some wood, such as fading, splitting, cracking, warping, and twisting.

Most products carry a limited lifetime warranty that covers defects in material and workmanship (manufacturer defects) and some finishes/coating. Actual Warranty is dependent on Manufacturer and product purchased. If you would like more information, please ask us about the warranty specific to your project materials.

## Satisfaction Guarantee

We want to make sure you are happy with our work. Our Guarantee covers materials and labor for 30 days after your project is completed and 1 year for materials after project completion. If you have any issues within the first year (Beyond the 30 day period), you will be charged for labor. Our Guarantee is not a Warranty or Insurance and does not cover damage caused after the project is completed, alterations made by the owner, or improper care.
